Principal's Address

Dear Parents & Guardians,
Welcome to Term 3! We're excited to begin another chapter in our school year with many wonderful events and learning opportunities ahead. Thank you for your continued support and involvement in your child's education — it truly makes a lasting impact.

We have several exciting highlights this term, including graduation ceremonies, special musical performances, and of course, preparations for our nation's 50th Independence Day celebrations. We also look forward to resuming our full school assemblies and chapel services from Week 3 onwards, bringing our community back together after holding these in classrooms during past months.

Let's continue to work hand-in-hand to make this term both successful and memorable for all our students.

God bless.

Mr. J. Olewale
Principal

Resumption of Assemblies & Chapel Services

From Week 3 onwards, we will return to holding school-wide assemblies and chapel services in their usual format. For the past few months, these sessions have taken place in individual classrooms, so we are looking forward to gathering together again as one community.

Report Card Collection

Thank you to all parents and guardians who took the time to collect their child's report card. Your involvement in their academic journey is truly appreciated.

ABC Graduation Ceremony – A Milestone Event

We extend our warmest gratitude to everyone who supported this year's ABC (Reading Class) Graduation. Special appreciation goes to our dedicated teachers, Ms. Wariye and Mrs. Opa, for their outstanding efforts in preparing students well ahead of schedule.

This year was a proud moment for our school, as we held the graduation ceremony off-campus for the first time at the beautiful APEC Haus. We celebrated the achievements of 100 young graduates who received their ABC Diplomas — a truly memorable occasion!

Thank you also to our teachers who managed the livestream, allowing family and friends to join virtually. If you missed it, you can watch the full ceremony on our Facebook page.

School Band Invited to Goodwill International School

We are proud to announce that our school band was invited to perform at Goodwill International School in Boroko. This marks a significant event for Goodwill, as they begin music education for the very first time. Our band was invited to inspire the students of Goodwill to also take up music lessons. Many students were inspired after watching our band play.

Visit from the U.S. Pacific Partnership Band – 5th August

Our music students are in for a treat! Tuesday, 5th August, the U.S. Pacific Partnership Band will be visiting our school. Their band is made up of guitar, keyboard, drums, saxophone, vocals, trumpet, and tuba. It promises to be a fun and inspirational experience for all music lovers!

PNG 50th Independence Celebrations – Coming Soon
