Revision Testing Week

Students in Grades 2–7 will sit for their revision test this week. After the test, students will continue with normal school hours, finishing at 2:30 p.m. Following this, our Preschool students will take their Reading Readiness Test in Week 7.

These assessments help measure each student's understanding in key subjects — English, Word Building, Mathematics, Social Studies, and Science — and guide teachers in planning for next year's learning. They also form part of our school and ACE academic monitoring records.

2026 Enrollments

Enrollment for the 2026 academic year for continuing students is still open. Please visit our website www.wccs.com.pg to re-enroll. A friendly reminder to all parents who have received the hard copy of the re-enrollment forms to complete and return them before the deadline, 28th November, 2025. This will ensure your child's place for next year.

We have now opened new enrolments for 2026, and spaces are filling fast. Students without a returned re-enrolment form may lose their spot to a new applicant.

Thank you for helping us plan ahead and make a smooth start to the new school year. If you need any assistance with the enrollment process, don't hesitate to reach out to our admin team for support.

Secondary School Announcement

We are delighted to announce that World Changers Christian School will be expanding to include secondary grades (Grades 8–10) in 2026!

A few years ago, we had to pause our secondary program due to limited classroom space. With the completion of three new classrooms this year, we are now ready to welcome secondary students once again. Interested parents are encouraged to visit the school office for enrolment forms and more information.

Christmas Play

This year's Christmas production is titled "The Birth of Our Lord Jesus."

Drama and theatre play an important role in a child's development by building confidence, creativity, teamwork, and communication skills. Through role-play and storytelling, students learn to express themselves and appreciate different perspectives. We can't wait to see our students shine on stage as they share the true meaning of Christmas through this special performance!

Band Auditions

Auditions for our school band have now been completed! Application forms for students interested in joining the 2026 School Band have been distributed. Please check with your child or contact Ms. Nita Figa, our Band Director, for more information. We're thrilled to welcome our new band members and look forward to another exciting year of music in 2026!
